Presentation of the Strategic Action Plan to End Homelessness Vote

ICH committee members conducted a vote for the Strategic Action Plan to End Homelessness; the plan passed unanimously. In upcoming meetings, the Strategic Planning Committee will present on the implementation of the Strategic Plan and next steps.

Proposal for the creation of an ICH Permanent Supportive Housing (PSH) Production Committee

Committee members voted to create a PSH Production Committee; Kimberly Black (Corporation for Supportive Housing) and Leila Edmonds (DHCD) were named co-chairs of this new committee.

The PSH Production Committee will be responsible for monitoring progress toward meeting the housing production goals outlined in the Strategic Action Plan to End Homelessness. The Committee chairperson(s) will report on the activities and progress toward meeting the goals of the Strategic Action Plan to the broader Interagency Council on Homelessness during the standing committee reports portion of the ICH meeting agenda. The Committee will also prepare an annual report for incorporation into the annual action plan required by the Homeless Services Reform Act.

Tasks of the Committee include:

- ❖ Developing an annual strategy to include recommended set-aside resources for production

- ❖ Developing a consolidated application process and monitoring progress on past consolidated applications awarded
- ❖ Monitoring permanent supportive housing production accomplishments
